

An aerial photograph of a coastal city, likely San Juan, Puerto Rico. In the foreground, a large, historic stone fortress (Castillo San Felipe del Morro) sits on a rocky cliff overlooking the deep blue ocean. The fortress has multiple towers and battlements. Behind the fortress, a green lawn and some buildings are visible. In the background, the city of San Juan spreads across the coast, with its buildings and harbor visible under a clear sky. DESTINATION WEDDING RAFAEL & JENNY

Welcome to Puerto Rico!

We're so excited to welcome you to our beautiful, ISLA DEL ENCANTO

It's a true joy to have you here and to be able to share this special place with you.

Puerto Rico is full of vibrant culture, delicious food, breathtaking beaches, and warm-hearted people. We hope you take some time to explore, relax, and enjoy everything the island has to offer. We feel incredibly grateful that you've traveled to be with us during this unforgettable moment in our lives. Your presence means the world to us, and we can not wait to celebrate together!

Although Puerto Rico may seem like a small island, it's far from it!

It's full of incredible tourist spots, rich culture, and hidden gems waiting to be explored. You'd need at least three weeks—or more!—to truly experience everything the island has to offer.

During your stay, we'll take you to some of the most iconic and accessible places within the metro area. Since traveling from the east to the west coast can take about 2 hours one way, we've planned nearby experiences to make the most of your time here.

And of course, no visit to Puerto Rico is complete without enjoying some of the most beautiful beaches in the Caribbean—many of them just a short drive away!
